Serenity, sunshine

Head to Queensland's Sunshine Coast for serenity at B&B On Godwin. Operators Marshall and Diana Cass are at an idyllic location where you can enjoy breathtaking vistas, where you can become one with nature. B&B On Godwin boasts an absolute waterfront location featuring sweeping views of Moreton Bay and islands. Conveniently located, B&B On Godwin is only 45 minutes from Brisbane's international and domestic airports. Marshall says: "It's close enough, yet far enough away." More details about B&B On Godwin are on Page 5.

The world's economic turmoil gives Australians the opportunity to discover their own nation without putting themselves to the peril of fluctuating international currencies. Tourism authorities predict a boom in domestic travel over coming months. In South-West Queensland, Thargomindah has the spirit of adventure. Pictured is the Red Sand Hill at Epsilon Station in Bulloo Shire. Locals will give you a special 'outback' welcome, and you will find you can have a relaxing family holiday at a fraction of the cost of when you step aboard an international jet.
